

Noodle™

Groupware: Noodle

By: Allison Beaver

What is it?

Noodle is a social intranet software that lets you collaborate with others on projects, chat, plan schedules and much more! It is packed with useful features for you to share ideas.

Your personalized home page lets you create a customizable workspace. With task lists, a calendar, and more you can easily stay on task.

Features

- Add friends
- Create schedules
- Create events
- Create projects
- Chat with your friends/create discussions
- See what everyone is up to
- Remain on task

Creating Your Profile...

The screenshot shows a user profile on the Noodle platform. The profile is for Allison B, with the title "Chocolate Man". The profile includes a circular profile picture, a search bar, and a list of interests under the "About Me" section. The left sidebar contains navigation menus for "NOODLE - HOME", "CREATE YOUR OWN", "HUMAN RESOURCES", and "SYSTEM TOOLS". The main content area has tabs for "Portlets", "Coworkers", "Statistics", and "My Stuff".
