

LORD VOLDEMORT FROM HARRY POTTER

He uses magic for evil his most famous spell is avada kedavra that will kill a person fast and whoever he aimed it to.

- ▶ On April 18th 1906 disaster struck San Francisco. We were visited by a bad earthquake shock. From this we had bad fires that spread for blocks and blocks. The earthquake struck the coast of Northern California. As a result about 3,000 people died and over 80 % of San Francisco was destroyed. This disaster was remembered as one of the worst natural disasters in the history of the United States.

- ▶ Lord Voldemort would make the disaster worst, because he found out that Harry Potter had moved to San Francisco. Therefore he wants to get revenge on Harry for killing his ugly soul. To make the disaster worst he would add more fire and he doesn't care who gets in the way and dies.
