And when your done eating your child will get a wooden coin to get candy from the candy store they have. They have a bakery with big cakes for birthdays and other special events and cookies too. Some of the cakes are so big and some are small. And they a lot of food at the buffet and if you aren't a buffet person you can order off of the menu too.

# Service

What kind of service do they have? Country Cupboard has the best service. The waiter will ask what would you like for a drink? After a couple of minutes they'll ask. Will you like a refill? And they would never get your drinks mixed up or make you wait too long. That is why Country Cupboards has the best service.

# Environment

Who has the best environment? Country Cupboard has the best environment. When you go there it is nice and neat. When you go into the dinning room the tables are set for you already. You don't see garbage on the floor or the parking lot. They keep everything neat for you and every body. That is why Country Cupboard has the best environment.

# Country Cupboard is the best!!!!!!!!!!!!!!

Country Cupboard is the better restaurant than Bonanza because Country Cupboard has a big selection of food. Bonanza has a poor selection of buffet food. So next time you go out for dinner come to Country Cupboard instead of Bonanza. You will have a good time here at Country Cupboard other than Bonanza.

Bonanza V.S. Country Cupboard

Thank you!!!!!!!!!!!!!!
