

## ICYOU and You See Us

---

**Yes, we make house calls!**

Along with offering products, we will  
come right to your door to help set  
them up the proper way!

We may also offer services such as  
virus scans and debugging your  
computer

*Technical Security*

## Welcome

---

ICYOU is a online company for products and services to keep your computer clean and functioning.

We offer products such as Norton and other anti-virus/security software. We will always have the most highly recommended and up to date software available to you to make sure that your systems are as protected as possible. We will also help you pick the proper package for your wants and needs.

Our services include at home or over the phone assistance to help you properly install your security software. We can also recommend/provide virus scans and debugging of your computer, if necessary.

## List of Products and Services

---

### Products:

All of our products are top notch ,but will always remain affordable:

- Norton Antivirus (Standard Package: \$39.99)
- McAfee Total Protection (One Year: \$49.99)
- Kaspersky PC Cleaner (Many Options)
- Panda Internet Security (3 Devices; One Year: \$52.49)

### Services:

Whether on the phone or in person we can help you with:

- Pick the proper package deal for your family or company.
- Installing your chosen package on to your computer system.
- Completing virus scans so you and your information are safe and up to date.
- Debugging your computer, so everything stays nice and running smoothly.

## Meet The Crew!

---

### Allison : Data Officer

With plenty of experience, she knows what she's doing. Running the websites and database for company, you can be sure that she will get things done the proper way.

### Abby: Design Office

Controlling our social media, and part of our marketing, her computer skills are as good as her design ones! She will leave your computer as clean and beautiful as she does with her other works.

### Emily: Marketing Officer

Though her main job is to keep the face of the company looking nice, she knows how dirty the inside can get, which is why when she comes to help she leaves it orderly and nice so even the most inexperienced know what to do.
