

RIBBET POWERPOINT

By: Hunter Baxter

The screenshot shows the Ribbet website interface. At the top, there is a green navigation bar with the Ribbet logo on the left and user options on the right: "Hi HunterBaxter!", "Help", "Upgrade", "Sign out", and "Fullscreen". Below this is a secondary navigation bar with "Home", "Library", "Edit", and "Save" buttons. A main navigation bar contains "Welcome", "Privacy Policy", "Terms and Policies", and "About Us".

The main content area features a large red "Upload Photos" button. Below it, a message states "This is your most recently edited photo." with a "Continue editing" button and a "Close photo" button. To the right, four collage options are displayed: "GRID COLLAGE" (Align your photos in a classic grid collage.), "SHAPE COLLAGE" (Generate a shape made up of repeating images.), "BLANK CANVAS" (Start from scratch with a canvas size and color.), and "FANCY CARD" (Create holiday cards with our print-ready templates.).

Below the upload section, it says "Here are your most recent uploads:" followed by two photo thumbnails and a "Manage your uploads »" link. There are three social media buttons: "Install Ribbet into Chrome" (with Chrome icon), "Follow us on Twitter!" (with Twitter icon), and "Become a fan on Facebook!" (with Facebook icon).

A section titled "Open your photos from wherever they are:" includes icons for Google Photos, iPhoto, and Facebook. Below this is a "Start Creating" button.

A large featured banner for "Shape Collage" is prominent, showing a heart shape made of small photos. It includes the text "New to Ribbet: Shape Collage" and "We hope you heart it as much as we do!" with a "Try it now!" button. Below the banner are "Ribbet Tour" and "Featured" tabs.

At the bottom, there is a section for "Ribbet and Zazzle" with the text: "Zazzle's mission is simple: 'To Enable Every Custom, On-Demand Product in the World On Their Platform.' We've partnered with them to let you create the highest quality custom products available, in an ever-expanding array of categories." This is accompanied by images of custom products like a mug and a mousepad. A "Start Creating" button is also present.

The footer contains links for "Terms", "Privacy", "Ribbet Lab", "The Blog", "Contact Us", and "Forum". A copyright notice reads: "©2015 Ribbet. Ribbet.com is not sponsored by or affiliated with Google Inc." Social media icons for Twitter and Facebook are in the bottom right corner, along with a "Hide ads" link.
