

# CHANGING THE PAST

PRESENTATION BY MICHELA FEINEN

# HOW WE GO BACK

We stole a replica of the time machine from the 2002 movie "The time

And made it into a working  
time machine that can move  
forwards as well as backwards  
in time

# HARRY HOUDINI

During one of his stunts we cut the power. Chaos ensued, leaving Harry Houdini trapped in his contraption. America mourned the loss of a great illusionist.

# THE MODEL T

Henry Ford has just invented and built the first Model T. Late at night we broke into his workshop and stole

# THE RADIO

The scientist  
created a machine  
The very first radio  
broadcast aired  
from Pittsburgh,  
Pennsylvania in  
1920.  
publics interest in  
the radio

Without Houdini to inspire millions of illusionists  
America never became interested in magic. Without  
Henry Ford's contribution to industry and no radio  
broadcasts America remained underdeveloped with
