Master Chief A.K.A John, From Halo to Halo 5, Guardians

- John has no special powers, he was a 14 year old boy who was abducted and put into a marine core, trained to be the strongest and put into armor.
- When John received his armor he was named Spartan 117, Master Chief. His armor has a protective shield that keeps any bullet out until it's depleted from on going fire.
- John went through 8 years in missions helping the army stop an alien species. Soon he met an alien who was part of the species he's stopping, who became allies but that story is hard to explain.

How Master Chief saves mankind

- Master Chief and the help of an A.I within his helmet figure out a way to get aboard the Aliens home ship and fight against the armies inside, making their way to their leaders.
- Master Chief has many disasters to solve after the fall of the Alien Species, well not really a fall they received a new leader who was Master Chief's ally, Master Chief discovers a new breed of aliens who live inside a metal planet and are ruled by one dictator named Didact. Who wanted to continue the extremely long fight against humanity for reasons unexplained.
